

Reflect + Discuss

- In what ways does/did your family celebrate (or not celebrate) Halloween?
- Share about a time that you were defrauded or deceived (ex. had an account hacked, had a trick played on you, etc.)
- Read Genesis 3:1-7. What stands out to you from the text? What questions do you have?
- Which step in Satan's plan to deceive us (convincing us to question God's plan, wonder if God has our best interest in mind, and believe our own plan is better) resonates the most with you and why?
- What are the dangers in either ignoring Satan, or giving him too much attention?
- What are some of the lies that Satan tells you? What does God say instead? What would it look like to resist these lies in your everyday life?

Pray

- 1 John 4:4 says, "...the one who is in you is greater than the one who is in the world". Pray and thank God that it is by His power we can resist Satan. Ask Him to open your eyes to His truth when Satan tells you lies.
