

Samantha Lynn Peterson of Madison, WI passed away peacefully the morning of December 22, 2022, at the age of 41. She is survived by her husband and 6 children. Also survived by her brother, sisters, other relatives, and many dear friends. She was preceded in death by her mother, Carol Plank, and was looking forward to being reunited.

Samantha battled breast cancer for several years and remained stubborn and strong until the end. Anyone who really knew her knows this to be true. She had made peace with her struggle coming to an end and was ready to move on and shed the physical body that had brought her so many challenges in life.

Her biggest passion in life were her own children and the children she watched throughout her career in childcare, through the church, and even at home. Going into the final chapter of her story her biggest wish was that those she loved and cared for would celebrate her life, rather than mourn her passing. She would want her friends and family to come together, support each other, and care for each other in these trying times. She always did everything in her power to see to it that those she loved were happy and well.

A memorial service to celebrate Samantha's life will be on Saturday, January 21st, 2023, at 11:30 am at Blackhawk Church, 9620 Brader Way, Middleton, WI 53562
