SERVE

MADISON MISSIONS. You may be too old to attend Madison Missions, but you are not too young to serve at Madison Missions. There are several ways you can help make Madison Missions happen, whether it is assisting during check-in, prepping meals, or planning leader appreciation. Sign up for a slot (or multiple) to serve [HERE](#).

COOKING FOR GOOD. Students, led by adult leaders, will come alongside those who have experienced and fled domestic abuse by preparing a meal in the Blackhawk Brader Way industrial kitchen and creating snack bags that will be dropped off and served to kids at Domestic Abuse Intervention Services (DAIS). Find more info or sign up to cook or do drop off [HERE](#).
