

Once Upon a Future
4/27/2025 | Love Our Neighbors

Reflect + Discuss

- Do you have any favorite products or brands that you love to promote to others? If so, what are they?
- Read 2 Corinthians 5:14-21. What does it mean to be an ambassador for God? Do you view yourself in this way?
- Have you ever experienced reconciliation or a restored relationship with somebody? If you feel comfortable sharing, what was that like?
- As ambassadors, we are God's main strategy for the world to know the gospel message. How can this role shape our approach to everyday interactions? Are there areas of your life (work, school, neighborhood, family, etc.) where you could be a better ambassador? What could that look like?
- What are your relationships like with your neighbors, or those in proximity to you? When you think about your own neighborhood, do you get excited about the ripple effect that could begin with simple acts of loving and knowing your neighbors?
- Can you identify some next steps you might take to be intentional in loving your neighbors and appealing to them on God's behalf? (Note to leaders: Some ideas from the message include... pray for your neighbors, host a front yard hangout, welcome new neighbors, go to garage sales, get creative, etc.)

Pray

Pray that we would grow in understanding our identity as ambassadors of God. Pray that as a church we would be compelled by the love we've received to go and love others, starting in our neighborhoods. Pray that as we reflect on God's goodness, that we would go out and live on mission in our neighborhood, city, and the world.
