About Volunteering at Blackhawk

At Blackhawk Church, we want to build a loving community that follows Christ in order to reach a community that is lost without Him. On the Blackhawk Serve Team, we consider it an honor and privilege to take part in this mission.

Our volunteer philosophy is simple: connect people to roles they'll thrive in. Sometimes that looks like ensuring people's skill, experience, and passion align with their role. Sometimes it means filling a much-needed role for a season that helps our community thrive – both inside and outside the walls of our church. Either way, our volunteer culture values teamwork, humble service, and healthy relationships. We see serving as integral to our faith, and find joy in aligning our skills, gifts, and time with God's purpose.
